We found the successful marketing seminars very informative and helpful.

Mr Jones presented the talks in an amusing and very entertaining way.

We have been able to implement some of the ideas already which will hopefully benefit us in the future.

Thanks for your help.

Dear Gordon,

We were very pleased with the response to our mailer that you kindly helped us with.

The takings in Cheadle Hulme Shop were on a par with last year - (Sadly Marple was not, which is why we are selling it!) Pleasing considering the weather ^{then}.
The response to the prize draw was excellent - yet to be drawn & analysed!

Thank you so much for your help, & we look forward to seeing you in Cheadle Hulme,

With love Ann & Robert Lees.
